Dear Mr. Thompson,

Dr. Mike Cerreta, our RSO, has resigned from Boehringer Ingelheim Pharmaceuticals, Inc. (BIPI). We are finalizing negotiations with Radiation Safety Academy (Gaithersburg, MD) to contract for a temporary qualified RSO until a permanent qualified BIPI employee is hired. Once finalized, I will send you the name and credentials of the proposed contract RSO. Throughout this time, we have a full-time Radiation Safety Specialist (Ms. Sarah Stewart) who assisted Dr. Cerreta prior to his resignation and who continues to handle the day-to-day radiation safety issues.
