Dear Mrs. Weidner,

Johnston Memorial Hospital Nuclear Medicine Department has increased Radiologist coverage with the addition of Matthew Cobb, M.D.. Dr. Cobb previously was employed at Bristol Regional Medical Center and was covered under Nuclear Medicine License R-82009-G05. We wish those privileges be added to our license.

We would like to add Casey McReynolds, M.D. as Assistant Radiation Safety Officer to cover absences of the Radiation Safety Officer.

We wish our Materials License (45-25240-01) to reflect these changes.

If any additional information is needed, please contact us with any concerns.

Sincerely,

Margaret Stroup
