In the Matter of
Entergy Nuclear Vermont Yankee, LLC, *et al.*
(Vermont Yankee Nuclear Power Station)
Docket No. 50-271-OLA (Extended Power Uprate)

Dear Administrative Judges:

Although the State of Vermont has been allowed to withdraw from this docket, the State is still interested in the proceedings and the evidentiary hearings on NEC Contention 3 commencing on September 13, 2006. I plan to observe the hearings on September 13th and possibly on the 14th. The State Nuclear Engineer, William Sherman, plans to attend on September 15th if the hearings have not already been completed.

In your Order of August 24, 2006, you directed the Parties to provide a list of counsel and authorized representatives who plan to attend the hearings and to identify each of the attendees who has signed the nondisclosure agreement. Although Vermont is no longer a party, we request that we be allowed to remain in the hearing room when the proprietary sessions are conducted. Mr. Sherman and I have each previously signed the Confidentiality and Non-Disclosure Agreement, copies of which are attached.

Many thanks to you and to the Parties for considering this request.
