MEMORANDUM TO: Luis A. Reyes
Executive Director for Operations

FROM: John G. Lamb */RA/*
Senior Operations Analyst
Technical and Regional Programs Section
Office of the Executive Director for Operations

SUBJECT: LESSONS-LEARNED PROGRAM MONTHLY STATUS REPORT -
AUGUST 2006

On August 1, 2006, Management Directive (MD) 6.8, "Lessons-Learned Program," became effective.

Part V, "Program Oversight and Administration," of the Handbook 6.8, "Lessons-Learned Program," describes the responsibilities of the Lessons-Learned Program Manager (LLPM). One of the duties of the LLPM is to prepare a monthly status report for the Executive Director for Operations on the status of the open lessons learned, including any approved changes to the corrective action plans.

For the month of August 2006, there are no open lessons learned in the Lessons-Learned Program.
