UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

7.15.96

To: NRC E.S. Group
From: Maria Lopez-Otin

The attached "Draft CEG Guidance" dated May 24, 1996 was just received by me. (The envelope was dated 7.11.96). No instructions or forwarding memo was included in the envelope, therefore, I'm not sure if our comments are being requested.

I have a call in to Neely Halper to find out more information.

Maria
