80																						
81	Format Responses as:				Adopted MM-DD-YY	- The CLIP amendment was approved for your plant on the given date (whether or not it's been implemented)																
82					Submitted MM-DD-YY	- The CLIP was submitted by your plant on the given date																
83					Planned MM-YY	- The CLIP is planned to be submitted in the given month and year (and may or not be under development). If the date is unknown, leave the date blank.																
84					Undecided	- It is unknown if the plant will submit this CLIP.																
85					N/A	- This CLIP is not applicable to your plant either because of the plant design or the change was adopted prior to the CLIP																
86					Will Not Adopt	- This CLIP is applicable to your plant but you have decided to not adopt it.																
87																						
88	Number of Sites *:				68																	
89	Update Round Started:				5/1/2006																	
90	Number of Responses this Round				55																	
91	Percent Response:				80.9%																	
92																						
93	* Arkansas 1 and 2 and Millstone 2 and 3 are listed separately. These sites contain units of different NSSS design and their CLIP applicability differs. Nine Mile 1 and 2 are listed separately because they process amendments separately.
