MEMORANDUM TO: John Hickman, Project Manager
Reactor Decommissioning Section
Decommissioning Directorate, NMSS/DWMEP

FROM: Thomas Fredrichs, Project Manager **/RA/**
Special Projects Section
Decommissioning Directorate, NMSS/DWMEP

SUBJECT: REVIEW OF RANCHO SECO UPDATED SITE-SPECIFIC COST
ESTIMATE FOR LICENSE TERMINATION PLAN

The staff reviewed the updated site-specific decommissioning cost estimate submitted in April 2006 by the Sacramento Municipal Utility District (SMUD) for its Rancho Seco facility. The review followed the guidance of NUREG-1713, "Standard Review Plan for Decommissioning Cost Estimates for Nuclear Power Reactors."

The estimate to complete radiological decommissioning is \$138.3 million. SMUD will place \$27 million annually through 2008 into its external fund to provide full funding of the decommissioning project.

The cost estimate is acceptable.
