Engineering Construction Support, Inc. is requesting the transfer of their license # 45-25381-01 to Material Inspection & Testing Group, Inc.

Material Inspection & Testing Group, Inc is aware of all commitments of ECSI's license and agrees to follow all guidelines and procedures associated with license # 45-25381-01.

ECSI has no need to continue holding a NRC license as the only gage owned by ECSI was transferred in 01/2005.

Thank you for your time.

Sincerely,

Ralph R. Fitzwater
President

Material Inspection & Testing Group, Inc. is requesting to take over license # 45-25381-01 from Engineering Construction Support, Inc.

In response to publication # 1556 appendix "C", the following is submitted:

1. Material Inspection Group, Inc.
2. Brenda Collier at 540-604-7315
3. Curt Collier – current RSO of ECSI license# 45-25381-01 will be the RSO for Material Inspection & Testing Group, Inc.
4. ECSI is currently still in business, but does not need an NRC license.
5. ECSI has offered to transfer the license # 45-25381-01 to Material Inspection & Testing Group, Inc. The owner of ECSI – Ralph Fitzwater – has no ownership in Material Inspection & Testing Group, Inc.
6. Material Inspection & Testing Group, Inc. will follow the same guidelines as ECSI under license # 45-25381-01.
7. ECSI has no nuclear density gages. Material Inspection & Testing Group, Inc. requests to take possession of the gages and storage facility under license # 45-30970-01 when Material Inspection & Testing Group, Inc. is issued a license by NRC.
8. ECSI will no longer carry a license once transferred to Material Inspection & Testing Group, Inc. as ECSI has no gages.
9. ECSI has previously transferred its only gage to license # 45-30970-01, therefore there are no records to be transferred from ECSI to Material Inspection & Testing Group, Inc.
10. Material Inspection & Testing Group, Inc. will take over the storage facility approved under license # 45-30970-01.
11. Material Inspection & Testing Group, Inc. agrees to assume full liability for the storage facility under license # 45-30970-01.

continued - page 2

- 12. Material Inspection & Testing Group, Inc. agrees to follow all requirements currently followed by ECSI license # 45-25381-01.
- 13. Material Inspection & Testing Group, Inc. agrees to abide by all commitments previously made to NRC by ECSI.
- 14. A letter from ECSI requesting to transfer license # 45-25381-01 to Material Inspection & Testing Group, Inc. is attached.
- 15. Material Inspection & Testing Group, Inc. agrees to follow all requirements under license # 45-25381-01.

It is asked that this request be expedited so as Material Inspection & Testing Group, Inc can take over the gauges under license # 45-30970-01 as I have been informed license # 45-30970-01 will no longer be valid by 9/18/06.

Thank you for your time with this matter.

Sincerely,

Brenda Collier
