Dear Mrs. Bennington,

This is update of our notification which we sent you on Jan. 11th.  
As per GNF-J's decision, eUF6 shipment shall be treated as "cancellation" instead of "postponement".

Reason:

Because of influence of the vessel delay cause of the engine trouble, GNF-J advised us that they decided cancel this project.

If and when GNF-J makes the decision to make this shipment we will make a new notification to the NRC.

We would appreciate your cooperation.
