In regards to your Facsimile :

- * The total number of gauges we possess is five. 3- Troxler Gauges (1-3411, and 2-3430), 2- Cpn Gauges (MC-1DR, MC3).
- * Please list Gretchen Heathman as the Radiation Safety Officer in this license.

Should you require any additional information please feel free to contact us. At the numbers below.

Can you give me any idea on how long it will take to obtain this license, as we have requested expedited service due to a job we have currently been awarded in Nome Alaska? The start date for this job is currently listed as October 4, 2006. Thank you for all of your help in this matter.
