I have enclosed a copy of the request I sent to your office last year. I have not received a letter from your office recognizing Acuren Inspection as an Authorized User for the AEA Model 680-OP device.

Please call me at 281 / 842-3350 if you should have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Lloyd A. Gray". The signature is fluid and cursive, with a large loop at the end.
