	5	PELKE			11/03/2005	
Summary						
You believe that you were the subject of discrimination (site access denied) for reporting that you inadvertently dropped a wrench from scaffolding that you were constructing. You stated that the scaffolding was being constructed near the water box on the 26-foot elevation of the turbine building and the wrench fell from the scaffold, through the 26-foot floor opening and landed next to the water box that is located on the 8-foot elevation.						
	4	PELKE			11/03/2005	
Closure Letter						
heller prepare a status letter informing the CI that your claim of discrimination does not met our threshold for an OI investigation. case remains open pending the results of dol. Ltr in final 11/1/05 to Pelke/Louden/Berson/Satorius.						
	3	PELKE	06/22/2005	07/06/2005	07/12/2005	20
