Hi, Mary Kay! I would prefer that OI make a copy of the exhibits that I need. Chuck Weill tells me that there is substantial duplication between this and another case (Kewaunee 3-2002-004). As a result, he says all I need are the following exhibits from the Pt Beach investigation: 1, 3-7, 9, 17.

Thanks--Jenny

If you want a copy made, we'll send it down to repro and we'll let you know when it is ready. If you want to review our copy, you will have to sign it out and then return it, or you can review it here in OI.

They're here, but you'll have to review them in OI. You can come down at any time, we have an empty office that you can use while reviewing.
