Dear Sir,

03037091

Please terminate NRC Radioactive Materials License No 01-31104-01

Maverick Technologies, LLC will no longer require a Radioactive Materials License, as we no longer have service contracts in the State of Indiana or any state requiring and NRC license.

Our last day to perform service in the State of Indiana was September 15, 2006

Records will be kept for the required period of time.

We will reapply for a new license in the future if our business needs change.

Thanks you for your assistance, and please contact me if you need any further information

Sincerely,

Jim Beaty
