SUMMARY

By application dated September 6, 2006, NUKEM Corporation (NUKEM) submitted an amendment request for the Model No. 3-82B package. NUKEM requested a company name change to Certificate of Compliance No. 9208. NUKEM did not request any changes to the package design or its contents.

EVALUATION

By application dated September 6, 2006, NUKEM Corporation requested an amendment to reflect a name change in the certificate. RWE NUKEM Corporation changed its name to NUKEM Corporation. Item 3.a in the certificate has been revised to show this change. No other changes were requested to either the certificate or the package design and contents.

The certificate was revised to include Condition No. 13, which authorizes the use of the previous revision of the certificate for a period of approximately one year. As a consequence of the new Condition No. 13, the previous Condition No. 13, was renumbered 14.

CONCLUSION
