Re: Change to our Materials license # 45-21343-02

03033347

To whom it may concern :

We would like to make a change to our license regarding our radiation safety officer. On our current license we have Sean E. Fidler listed as our safety officer. We would like to replace Sean E. Fidler with our new radiation safety officer Thomas E. Paschal III . This change is being made due to the fact Mr. Fidler is no longer with the company. Enclosed Please find a copy of Mr. Paschal certificate of certification. If any further information is needed feel free to contact me.

Respectfully yours,

Richard W. Bell
