Summary: The application for a portable gauge license referenced NUREG 1556 Volume 4. However, the rest of the information referred to NUREG 1556, Vol 1, Rev. 1, but an item related to maintenance was not included in the application.  I called the owner to discuss this and requested her to send the related information referring to NUREG 1556, Vol 1, rev. 1, including the maintenance procedures.  I gave her LAT's fax number. She will send the requested information soon.	
Action Required: Awaiting receipt of additional information.
