SUBJECT: APPLICATION BY SOUTHERN NUCLEAR OPERATING COMPANY FOR AN  
EARLY SITE PERMIT FOR THE VOGTLE SITE

Dear Ms. Jackson:

Enclosed to this letter is one hard copy and three electronic copies on CD of the application by Southern Nuclear Operating Company for an early site permit at the Plant Vogtle site. We had previously arranged with you to have these materials available for public review. We will be providing additional materials concerning the early site permit application as they become available. Over the period of the review, from September 19, 2006, through approximately February 2009, the volume of documents and related correspondence is expected to fill about one three foot shelf.

Electronic versions of the documents are also available at the U.S. Nuclear Regulatory Commission's (NRC's) Public Document Room and in the Electronic Reading Room, accessible through the NRC Home Page (<http://www.nrc.gov>).

We appreciate your willingness to assist the public in participating in the review process for the Plant Vogtle early site permit.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at 301-415-3053 or Cristina Guerrero at 301-415-2981. You may also e-mail us at [mdn@nrc.gov](mailto:mdn@nrc.gov) or [cxg3@nrc.gov](mailto:cxg3@nrc.gov).

Sincerely,
