

September 11, 2006

Dale E. Klein, Chairman  
United States Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Dr. Klein:

Regarding your letter dated August 18, 2006, this is to inform you that it is my intention to submit a certification to the Commission that the State of Nebraska has an existing program for licensing the radioactive material that is now included by the Commission in the definition of byproduct material and that the State of Nebraska intends to continue to implement this regulatory responsibility.

Sincerely,

Dave Heineman  
Governor
