Dear NRC,

I am sending this letter to cover two purposes; 1.) to provide the name of our new Radiation Service Officer and; 2.) to notify you that we will be de-commissioning our current facility and moving our license to a new facility.

First of all the new RSO is Mr. Steven Daniels, LEP and Vice President of Facility Support Services LLC, located at 2685 State Street, Hamden, CT 06517.

Finally, we will de-commission the facility under license; located at 65 Trap Falls Road, Shelton, CT. 06484 and move to our new facility located at 7 Victoria Drive, Monroe, CT. 06468 starting in March of 2007.

Please contact me at the address listed below or on my direct line at (203) 944-2305 if you have any questions.
