BOB TAFT
GOVERNOR
STATE OF OHIO

September 20, 2006

Mr. Dale E. Klein, Chairman
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Mr. Klein:

This is in response to your letter dated August 18, 2006, requesting information regarding Ohio's intent to regulate certain radioactive materials now defined by the Energy Policy Act as byproduct material in Section 11e. (3) and 11e. (4) of the Atomic Energy Act.

Please be advised that Ohio will be submitting a certification to the U.S. Nuclear Regulatory Commission, as provided for in Section 651(e) of the Energy Policy Act of 2005, to continue regulating 11e. (3) and 11e. (4) byproduct material.

We look forward to working with you in this process.

Sincerely,

A handwritten signature in black ink that reads "Bob Taft".

Bob Taft
Governor
