Docket No.: 52-011

AR-06-2295

U.S. Nuclear Regulatory Commission
ATTN: Document Control Desk
Washington, DC. 20555-0001

Southern Nuclear Operating Company
Vogtle Early Site Permit Application
Supplemental Emergency Planning Information in Electronic Format

Ladies and Gentlemen:

By letter dated August 17, 2006, Southern Nuclear Operating Company (SNC) provided the U.S. Nuclear Regulatory Commission (NRC) with supplemental information regarding the Emergency Planning (EP) sections of the Vogtle Early Site Permit (ESP) Application (i.e., Part 2, Section 13.3 and Part 5 of the application). The supplemental EP information was provided, in hard-copy only, to assist the NRC Staff in performing their reviews of these application EP sections. Upon NRC request, SNC is now revising the supplemental information and providing it in electronic format (i.e., on a publicly available compact disc [CD]).

The Enclosure description form included with this letter identifies the CD document components and contact information. If you have any questions regarding this letter, please contact Mr. J. T. Davis at (205) 992-7692.

Sincerely,

Joseph A. (Buzz) Miller

Sworn to and subscribed before me this 4th day of October, 2006
