

for the record this is an interview  
of [REDACTED] former  
Mechanical & Civil Superintendent  
for Day and Zimmerman Nuclear Power  
Systems at <sup>the</sup> Kewaunee Nuclear Power  
Plant for their 2001 outage.

Today's date is Sept 12, 2002.

The time is approx 7:15 PM.

This interview is being conducted  
at the Radisson Hotel and Conference  
Center, Green Bay, WI.

My name is Mr. Elmer SA w/ USNRC  
OI RIII. This interview is being  
recorded on a Sony cassette  
recorder w/ a backup Sony  
microcassette recorder -

This is Mr. [REDACTED] second interview  
concerning a FFD ~~issue~~ at  
Kewaunee during 2001. 7(c)

Mr. [REDACTED] please raise your right hand -  
do you swear that the information  
you are about to give

is the truth, the whole truth & nothing  
but the truth so help you God?

for the record I previously interviewed you on Thursday, June 6, 2002 at the PBN Power Plant with a Court Reporter Present - is that correct?

I have provided <sup>for your review</sup> ~~you~~ with a copy of the transcript of that interview, which you read today before we went on the record

is that correct?

Before you answer any questions on the record, I think it would be appropriate for me to explain why I'm conducting a second interview.

- ~~a second~~ another related allegation
- 1) First - ~~that~~ was rec'd by the NRC from ~~[redacted]~~ ~~discrimination~~ ~~allegation~~ alleging that NMC has denied (c) him access in retaliation for raising a FPD concern  
© Kewanne

the second issue concerns  
potential false statements  
you may have made to me  
and to the NMC investigator  
during the respective ~~at~~  
investigations

~~as~~ a number of witnesses have  
contradicted your assertion  
that no one reported a FFD  
concern involving ~~██████████~~ to you  
in 2001 while you were working  
at K —

7(c)

I feel it only fair to explain  
that <sup>any</sup> false statements made to a  
federal agent (being me) is a  
criminal violation of 18 USC 1001

In addition, ~~depending on~~  
NMC provided the NRC w/ an investigative  
report which included copies of the  
Reports of Interviews prepared by  
Mr Walker following his interviews  
with you — on 12/5 & 12/11 —

If you provided false or inaccurate info  
& NMC in turn submitted that to the NRC  
you have caused NMC to be in violation  
~~of~~ 10 CFR 50. by providing false or inaccurate  
info —

keeping that in mind - do you  
want to go ahead w/ this interview  
~~or~~ would you like to reschedule  
in order to seek legal ~~or other~~ advice  
or

of course the third option - you  
can refuse to answer my questions -

what would you like to do?

<sup>el</sup> asked you specific questions about  
whether anyone came to you and identified  
an employee as unfit for duty  
and you answered NO -~~

{ <sup>el</sup> also asked if you ever asked [REDACTED]  
to be FFD tested - You responded NO -  
p13 at lines 5, 6 & 7 7(c)

why didn't you do what was required?  
- concerned about job?

to DZNPS or NMC ~~in~~ in having any  
of U's access denied. 7(c)

~~on pgs 21-22  
I asked you if personnel problems  
you were having w/ [redacted]  
& [redacted] were serious enough  
for them to make false accusations~~

were your false statements  
any attempt to retaliate against  
[redacted] or [redacted]  
[redacted] for personnel problems  
they may have caused you  
at K? 7(c)

w/ a report of their investig. of concern  
included w/4 copies of the Reports of  
interviews prepared by

interviews w/ each person 7(f)

including interviews w you on  
12/5 & 12/11/01 -

did you make <sup>similar</sup> false statements  
to Mr Walker? ~~NO~~

if yes - do you realize that you then  
caused NMC to make false statements  
to the NRC by providing false &  
inaccurate information?

do you realize that false statements  
to a federal agent - being me -  
is a criminal violation of 18 USC 1001?
