

August 16, 2002

MEMORANDUM FOR: Bruce A. Berson, Regional Counsel  
Region III

FROM: Richard C. Paul, Director  
Office of Investigations Field Office  
Region III

SUBJECT: KEWAUNEE: DISCRIMINATION AGAINST A CONTRACT  
WELDER FOR RAISING FITNESS FOR DUTY CONCERNS  
(OI CASE NO. 3-2002-020; AMS RIII-2002-A-0114)

On August 5, 2002, [redacted] a contract welder, formerly employed by Day & Zimmerman Nuclear Power Systems at the Kewaunee Nuclear Power Plant, was interviewed by Mary Kay Fahey, Special Agent, Office of Investigations (OI), Region III (RIII), concerning his allegation of employment discrimination.

Attached is a copy of [redacted] transcribed interview for your review. Please note that [redacted] was originally scheduled to be interviewed concerning allegations involving a Fitness For Duty (FFD) concern at Kewaunee (OI Case No. 3-2002-004; AMS RIII-2002-A-0042). After JOHNSON contacted RIII concerning an allegation of employment discrimination, he was interviewed on both the FFD and discrimination concerns. The pertinent pages relative to [redacted] discrimination complaint are found at pages 1-12; 42-61. Please determine if a prima facie case of discrimination has been established and provide OI:RIII the results of your review.

Since both OI investigations are pending, please ensure that appropriate measures are taken to safeguard the dissemination of the transcript and related information. OI approval is required for disclosure of this interview.

Attachment: As stated
