Dear Mr. Bermudez:

On August 11, 2006 Pavia Health, Inc. sold Pavia Hato Rey Hospital to Sistema de Salud Metropolitano. The structure and all assets pertaining to Hospital Pavia Hato Rey, Inc. were sold and transferred to a new corporation, Metro Hato Rey, Inc., which is the new owner of the hospital.

The medical staff and the personnel that offer services in the program are the same as before the transaction, although, the technician resigned weeks after the new owners started operations in the facility. Currently the program is in the process of recruiting a new technician.

There have been no changes in the internal organization, location, facilities, equipment or procedures that relate to the licensed program.

As a result of the transaction, Metro Hato Rey, Inc. dba Hospital Pavia Hato Rey, being the transferee will abide by all constraints, conditions, requirements and commitments of the transferor in relation to the program with license number 52-30886-01 under the U.S. Nuclear Regulatory Commission.

If you need any additional information, please, contact the undersigning at (787) 641-2323 ext. 1501.
