Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Renewal clarification about issuing a new license number
Summary:	I explained to Ms. Ferdinand that we were working on her renewal application and a new license number had to be issued because they did not have any special nuclear material. I told her we were working with our LAT to issue a new license number. She asked if there was anything she should do. I answered there was nothing for her to do at the moment.
