Information Needed for Transfer of Control of Nuclear Regulatory Commissions License.

Provide the following information concerning changes of control by the applicant (transferor and/or transferee, as appropriate). If any items are not applicable, so state.

1. Provide a complete description of the transaction (transfer of stocks or assets, or merger). Indicate whether the name has changed and include the new name. Include the name and telephone number of a licensee contact who NRC may contact if more information is needed. The transaction was a transfer of assets the new corporate name is Metro Santurce, Inc., but the hospital name remains Hospital Pavia.
2. Describe any changes in personnel or duties that relate to the licensed program. Include training and experience for new personnel. No change in personnel or duties, that relate to the licensed program.
3. Describe any changes in the organization, location, facilities, equipment or procedures that relate to the licensed program. No change in the organization, location, facilities, equipment or procedures.
4. Describe the status of the surveillance program (surveys, wipe tests, quality control) at the present time and the expected status at the time that control is to be transferred. There is to be no interruption in the surveillance program.
5. Confirm that all records concerning the safe and effective decommissioning of the facility will be transferred to the transferee or to NRC, as appropriate. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity. We confirm that all records concerning the safe and effective decommissioning of the facility were transferred to the transferee.
6. Confirm that the transferee will abide by all constraints, conditions, requirements and commitments of the transferor or that the transferee will submit a complete description of the proposed licensed program. The transferee will abide by all constraints, conditions, requirements and commitments of the transferor.

Henry Ruberté, MHA
Executive Director

October 10, 2006

Dear: Henry Ruberté, MMSA
Executive Director

In response to your request to certify the following statements, as required by the NRC for transfer of control of the Nuclear Regulatory Commissions license.

4. I certify that there has not been nor will be any interruption in the surveillance program (surveys, wipe tests, quality control) at the present time and at the time the control is transferred.
5. No decommissioning of the facility is to occur so this item doesn't apply.
6. We will abide all the constrains, conditions, requirements and commitments of the licensed program.

Sincerely you,

Lourdes García Alonso, MD
