In the Matter of
USEC, Inc.
(American Centrifuge Plant)
Docket No. 70-7004

Dear Administrative Judges:

Pursuant to the Board Order of May 31, 2006, the Staff hereby provides the requested paper and electronic copies of the license application documentation. The enclosed documents include final changes to the license application, requests for information (RAIs), and RAI responses. In addition, the Staff has included copies of summaries of telephone conference calls and meetings in which the Staff requested clarifying information that was not documented in written RAIs and any written submittals from the applicant responding to the Staff's oral information requests. Please note that document AET 06-0068 has been designated Safeguards Information. The Staff has coordinated this submission with the Applicant, who does not have any exceptions, additions, or objections to the attached documents.

Respectfully submitted,

/RA/

Margaret J. Bupp
Counsel for the NRC Staff
