Dear Ms. Sheehan,

In a letter dated 12-12-03, you requested depleted uranium as shielding and stated that you "currently have no depleted uranium on hand but would like to request it for possible future needs." The letter dated 9-25-06, requests removal of the depleted uranium since you "no longer possess this material." To support your request, either: (1) confirm that you have not possessed depleted uranium since 12-12-03; or (2) submit transfer documentation for disposal of any possessed depleted uranium. You may fax your response to my attention at 610-337-5269. Please reference Mail Control No. 139467 in your response.
