Subject: RAI, Address change <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>			
Summary:		I spoke to Dr. Oladeji about the address on the license. It was not consistent with the letter head and in their letter they state a new location for use but were not clear if the mailing address had changed. Dr. Oladeji confirmed that they no longer received correspondence at the 422 Route 18 North address in New Jersey. He also confirmed that he wanted the address to be updated to the address he sent in the amendment letter which was also a facility where the material is used.
