Bureau of International Security and Nonproliferation

Dear Mr. DeLaBarre:

Enclosed for your information are reports which list all non 10 CFR Part 110 Appendix P U.S. Nuclear Regulatory Commission export and import cases which were completed, received, or pending during the month of September 2006.

In summary, 5 cases were completed, 7 new license applications or amendment requests were received, and 25 cases were pending as of September 30, 2006.

We are continuing our review of the existing pending cases that do not require Executive Branch views. We understand that for most of the pending cases listed in the report the Executive Branch is waiting for foreign government assurances as required by the Atomic Energy Act of 1954, as amended by the Nuclear Non-Proliferation Act of 1978.

Sincerely,

*/RA/*
