NRC license number 37-02766-01 03003026

Dear Ms. Lanzisera,

This letter to confirm that Fox Chase Cancer Center has not possessed any depleted uranium since December 12, 2003. As stated in our correspondence dated September 25, 2006, we request to have depleted uranium be removed from our license.

Sincerely,

A handwritten signature in cursive script that reads "Karen L. Sheehan".
