Dear Mr. Jacobsen:

This refers to your July 19, 2004, letter with the above referenced materials, providing this Office with Battelle's final survey report for the former guard house (JN-6). My decommissioning staff have reviewed your information, and have concluded that the information is adequate to demonstrate acceptability for unrestricted release for the JN-6 facility. We have no further questions regarding this building. The referenced information is to be maintained pursuant to Title 10, Code of Federal Regulations (CFR) Sections 30.35, "Financial Assurance and Record Keeping for Decommissioning," and Section 30.36, "Expiration and Termination of Licenses and Decommissioning of Sites and Separate Buildings or Outdoor Areas."

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
