Dale E. Klein, Chairman
Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Chairman Klein:

Governor Guinn asked that I respond to your letter of August 18, 2006 regarding Nevada's agreement with the NRC pursuant to Section 274b of the Atomic Energy Act of 1954, as the state's liaison officer.

Please be advised that Nevada will submit a certification to the Commission, as provided for in Section 651(e) of the Energy Policy Act of 2005, to allow Nevada to continue to regulate radioactive materials defined as byproduct material.

Should you have questions, please do not hesitate to contact me.

Sincerely,
