Re: USNRC User License No. 29-30189-01 03033733

Please amend our Nuclear Commission license 29-30189-01 to reflect a clarification in the address location and licensee name. There is NO change in the ownership or in the location, this only a clarification.

The address location listed on license, 1 Bethany Road & Rt. 35, Hazlet, NJ 07730, does not include the building # 5 or suite # 63. We ask that the license be amended to include them to be more specific in the office location.

The name of the licensee is Cardiac Imaging, Inc. and since 1994 been registered with the State as the primary name of the corporation and an alternate name of Heart Imaging Center. Please amend the current license to reflect the alternate name for better clarification.

I have enclosed the copy of the state registration information to show the alternate name of corporation.

Please amend as follows:

- 1.) The licensee name: Cardiac Imaging, Inc.  
Alternate name: Heart Imaging Center
- 2.) The licensee address: 1 Bethany Road & Route 35  
Bldg. 5, Suite 63  
Hazlet, NJ 07730

Feel free to contact me if you have any questions.

Sincerely,

Tanveer Ahmad, M.D., Authorized User

Amendment No. 1

- 14. The licensee is authorized to transport licensed material in accordance with the provisions of 10 CFR Part 71 "Packaging and Transportation of Radioactive Material".
- 15. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents, including any enclosures, listed below. This license condition applies only to those procedures that are required to be submitted in accordance with the regulations. Additionally, this license condition does not limit the licensee's ability to make changes to the radiation protection program as provided for in 10 CFR 35.23. The U.S. Nuclear Regulatory Commission's regulations shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.
