Dear Mr. Carpenter:

The Illinois Emergency Management Agency is missing a quarterly transfer report from Princeton Gamma-Tech Instruments. The report would cover transfer of generally licensed devices to customers in Illinois in the second quarter of 2006.

We would be grateful if you would furnish a transfer report for the calendar quarter identified above.

The Illinois Emergency Management Agency hereby requests a transfer report from Princeton Gamma-Tech Instruments every calendar quarter. *We request a report whether or not you transferred a generally licensed product to an Illinois customer in the quarter covered by the report.*

We appreciate your cooperation in keeping the Illinois Emergency Management Agency informed of the status of generally licensed radioactive material in Illinois. Please call me at 217-785-9917 if you have questions.

Sincerely,

Mike Ewan
