Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	I-131 waste which set off alarm
Summary:	Ms. Sorensen insisted that the waste generated by the in-house I-131 patient treated in late June was all bagged and put into storage. She is sure that none inadvertently left the room. She suggested that the the I-131 waste could have been from another hospital's patient having checked into Beth Israel.
