Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Amendment Request	
Summary:	I phoned Mr. Smarra in the AM to ask a question about the addition of two Authorized Users to the medical center's byproduct material license. He was not available but returned my call. I informed him that the information submitted to include the addition of Ryan Smith, MD and Yoshiro Arai, MD for 35.300 and 35.400 did not support 35.300 authorization. He requested that the amendment proceed for 35.400 and the issue of 35.300 authorization for both physicians would be investigated and addressed in a future amendment request, if appropriate documentation could be obtained.	
Action Required:	Proceed with license amendment.
