RE: Byproduct License No. 06-00221-08

Ladies and Gentlemen:

In accordance with notification requirements 10 CFR 30.34(b), I am informing your agency that due to an internal corporate reorganization, Chemtura USA Corporation, holder of NRC byproduct license No. 06-00221-08, will merge with and into its immediate parent company, which will continue to be known as Chemtura Corporation. This merger is planned to take place effective November 30, 2006. This internal company reorganization will not affect the structure or makeup of the Radiation Safety Committee, and the same management will be responsible for carrying out the radiation safety program as previously (please refer to our license amendment application dated November 29, 2005). Please see the attached Form 313, signed by Dr. John A. Lacadie, a Vice President of both Chemtura USA Corporation and Chemtura Corporation.

Please indicate your acceptance of this reorganization, and amend our license to change the name of the company holding the license.

If there are any questions concerning the reorganization, please contact me. Thank you for your attention to this matter.

Sincerely,

Robin R. Charlton
