

NUCLEAR REGULATORY COMMISSION

FULL WRITTEN EXPLANATION

Approval

The Nuclear Regulatory Commission voted to close the following meeting:

Tuesday, October 24, 2006

9:30 a.m. Briefing on Issues re Transshipment and Domestic
and 1:30 p.m. Shipment of RAMQC (Closed–Ex. 3 & 9)

The Commission voted 4-1 on September 25, 2006, October 4, 2006, and October 17, 2006 to close this discussion concerning matters specially exempted from disclosure by statute and which would be likely to significantly frustrate implementation of proposed Commission action. Commissioner Jaczko voted to have both open and closed sessions for this meeting.

Attendance

- Commissioners
- Representatives of Commission Staff Offices
- Executive Director for Operations and members of his staff
- Representatives of industry, Federal Government and state government
