Re: Freedom of Information Act Request

Dear Sir or Madam:

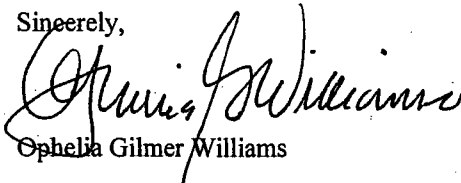

This is a Freedom of Information Act Request ("FOIA") pursuant to 5 U.S.C. § 552(a)(3) and 10 C.F.R. § 9.23. This request pertains to the April 25, 2006 meeting between the Committee To Review Generic Requirements ("CRGR") and the Office of Nuclear Reactor Regulation ("NRR") as well as to any other CRGR meetings in which proposed Generic Letter \_\_\_, "Post-Fire Safe-Shutdown Circuit Analysis Spurious Actuations" was discussed. Specifically, I am requesting a copy of the following documents:

1. The meeting minutes from the CRGR meeting Number 408, held on April 25, 2006. The purpose of the meeting was to review proposed Generic Letter \_\_\_, "Post-Fire Safe-Shutdown Circuit Analysis Spurious Actuations";
2. Presentation materials (if any) used during the meeting by the CRGR and NRR;
3. Revised review package resubmitted to the CRGR by NRR on May 11, 2006. The review package contains a transmittal memo, GL, Appendix C questions, and comment resolutions; and
4. Any record of CRGR's endorsement of the proposed Generic Letter or other CRGR commentary relating to a revised NRC staff review package.

Several of the aforementioned documents are referenced in the following documents released to the public via the Agencywide Documents Access and Management System: (1) SECY-06-0196, Issuance of Generic Letter 2006-XX; "Post-Fire Safe-Shutdown Circuits Analysis Spurious Actuations," dated September 11, 2006; and (2) "Value Added to the Staff Proposals Reviewed by the [CRGR] from June 2005 through May 2006," dated June 14, 2006.

I would appreciate your prompt response within ten working days of the receipt of this request, as provided by the Code and the NRC's policies. I agree to pay such fees as required under 10 C.F.R. Paragraph 9.33, et seq. without further authorization, however, please call if the fees, and copying costs exceed \$300.

Sincerely,

Ophelia Gilmer Williams
