Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Additional information for amendment request

Summary:	<p>[Prior to this telephone conversation, I reviewed with the branch chief the contents of the letter dated 10/11/06. She agreed that we can accept this as documentation of all required information except for the preceptor attestation statement.]</p> <p>In order to authorize Alex Pevsner, Ph.D. as authorized medical physicist (AMP), please provide a statement, signed by a current HDR AMP, that includes the information in last sentence of item 2c of my e-mail dated 10/2/06. For example: "Dr. Pevsner has satisfactorily completed the requirements in 10 CFR 35.51(b)(1) and (c) and has achieved a level of competency sufficient to function independently as an AMP for HDR." It is not necessary for this statement to be provided by one of Dr. Pevsner's supervisors from his MSKCC post-doc. If Dr. Pevsner has worked for a period of time with one of Hackensack's AMP's, that individual might be in a position to provide this statement.</p> <p>Eric said that Dr. Pevsner has worked at Hackensack for approximately 2 months and has worked under the supervision of existing AMP's. He has received training in use of the current Hackensack HDR unit from the existing AMP's. The license was just amendment to authorize acquisition of a new HDR model. Eric said that Dr. Pevsner will receive vendor training in the use of the new HDR model at the time that current RSO's and AMP's are trained.</p>
