Re: Commitments Following ADR Session -
(EN-06-007/IA-05-041)

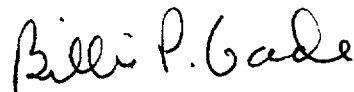

Dear Mr. Collins:

This letter is provided as a supplement to our August 30, 2006 response to the Confirmatory Order issued to my client, Theodore D. Simmons II, on February 10, 2006.

Please be advised that by e-mail dated September 19, 2006, Mr. Simmons invited 95 individuals who are associated with the Goddard radiation safety program to attend a Radiation Safety-Lessons Learned presentation on September 27, 2006. On the morning of the 27th, Dan Simpson, the new NASA-Goddard Radiation Safety Officer, sent a "strong solicitation" to the same individuals to attend Mr. Simmons' presentation. Mr. Simmons reported to us today that eight individuals attended his presentation yesterday.

We trust that this completes Mr. Simmons' obligations under the Confirmatory Order and request that you provide him with written acknowledgment of that fact.

Sincerely,

Billie Pirner Garde
Attorney for Theodore D. Simmons II
