Summary:	In a letter dated 8/15/06, the licensee requested the addition of two AMPs (Guillermo Trujillo-Garcia and Tatiana Manotas-Albor). Based on a review of the AMPs training and experience, it appears that they are not qualified, at this time, to be listed as AMPs on the license. I requested that the licensee provide the name of another AMP or the HDR unit will need to be put into storage until a qualified AMP is listed on the license. Mr. Umpierre agreed that the HDR would be put into storage until they could find a qualified AMP.
