  3. NRC Letter dated September 14, 2006, from Mr. C. Regan (NRC) to Mr. E. Rosenbaum (Holtec), titled "NRC DETERMINATION OF HOLTEC INTERNATIONAL'S REQUEST FOR WITHHOLDING INFORMATION FROM PUBLIC DISCLOSURE (TAC NO. L23850)"

Dear Mr. Regan:

Addressing the letters listed as Reference 1 and Reference 3 above, please find enclosed the following proprietary Holtec International reports on CD:

HI-2043317, Revision 3  
HI-2043168, Revision 2  
HI-2053389, Revision 2

The technical content of these reports remains unchanged from the versions previously submitted, but proprietary markings were added. The affidavits included with the initial submittal of these reports to the NRC are therefore still applicable. We request that the versions of these reports currently in NRC's possession be returned to Holtec or destroyed.

In relation to the letters listed as Reference 2 and Reference 3 above, we request that the NRC either returns to Holtec or destroy the following documents:

Holtec International Report HI-2043285 Revision 3  
Third Party Proprietary Agreement dated August 10, 2004  
Holtec International Report HI-2043285 Revision 4  
Attachment 6 to Holtec Document 5014603  
Attachment 8 to Holtec Document 5014603

These documents will be resubmitted or replaced after the proprietary requirements are resolved.

Please contact the undersigned if you require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Stefan Anton". The signature is fluid and cursive, with the first name "Stefan" being more prominent and the last name "Anton" following in a similar style.

Stefan Anton, Dr.-Ing.  
Licensing Manager
