SUBJECT: CLOSEOUT OF CONTRACT NRC-38-91-322

Dear Mr. Swirchak:

The subject contract NRC-38-91-322 expired November 30, 1994. The total amount paid to Bernard Hodes is \$446,206.80. Per conversation with Cassandra Casanova, Bernard Hodes, on June 11, 1996 no outstanding invoices remained. Deobligations were complete under Task Order 1, 6, and 7 for a total of \$12,914.69. All obligations have been met and there are no outstanding issues. NRC has made two requests for the contractors release with no response. Bernard Hodes was notified in the second request that NRC will unilaterally close the contract if the NRC does not receive the final closeout forms within 10 days after receipt of the second request letter dated July 25, 1996.

Therefore, the subject contract is considered closed. The Government shall hereby be released from all liabilities, obligations, claims, and demands whatsoever under or arising from the said contract.

If you have any questions regarding the subject action, please contact me on (301) 415-6565.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sharlene McCubbin".
