Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	License Amendment Request	
Summary:	I phoned Mr Lambert to follow up on their expedited request to add Patrick Glennon to the license as the new RSO. I informed him of the fact that this action was just completed in a separate licensing action on 10/25/2006 and the initial amendment request, dated 08/09/06, and docketed under Control Number 139327, was still pending. Mr. Lambert requested that no action be taken on the 08/09/06 request until a second letter could be submitted with additional changes in the list of Authorized Users.	
Action Required:	Await additional request and then proceed with license amendment.
