

UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT

NUCLEAR INFORMATION and RESOURCE
SERVICE and PUBLIC CITIZEN,

Petitioners,

v.

UNITED STATES NUCLEAR REGULATORY
COMMISSION and the UNITED STATES
OF AMERICA,

Respondents.

No. 06-1310

DISCLOSURE STATEMENT OF LOUISIANA ENERGY SERVICES, L.P.

Pursuant to Rule 26.1 of the Federal Rules of Appellate Procedure, Louisiana Energy Services, L.P. ("LES"), which has moved for leave to intervene in the above-captioned proceeding, hereby states that it is the holder of Materials License SNM-2010 issued by the Respondent Nuclear Regulatory Commission on June 23, 2006 to construct and operate a uranium enrichment facility (namely the National Enrichment Facility ("NEF")) near the City of Eunice in southeastern New Mexico. The issuance of Materials License SNM-2010 and several underlying NRC orders are being challenged by Petitioners Nuclear Information and Resource Service and Public Citizen ("NIRS/PC").

LES is a limited partnership organized under the laws of the State of Delaware and registered to do business in the State of New Mexico, with its principal executive offices in Albuquerque, New Mexico. LES is a private entity whose singular business purpose is to provide uranium enrichment services for commercial nuclear power plants. LES has a 100 percent-owned subsidiary, NEF Series 2004, LLC, a limited liability

company organized under the laws of the State of Delaware and registered to do business in the State of New Mexico, formed to purchase Industrial Revenue Bonds issued by Lea County, New Mexico for the construction of the NEF.

Urenco Investments, Inc. is the sole general partner in LES. Urenco Investments, Inc., a Delaware corporation, is a wholly owned subsidiary of Urenco Limited, a corporation formed under the laws of the United Kingdom and owned equally by BNFL Enrichment Limited ("BNFL-EL"); Ultra-Centrifuge Nederland NV ("UCN"); and Uranit GmbH ("Uranit"), companies formed under English, Dutch, and German law respectively. BNFL-EL is a wholly owned subsidiary of British Nuclear Fuels plc, which is wholly owned by the Government of the United Kingdom. UCN is 99 percent owned by the Government of the Netherlands and 1 percent owned by Royal Dutch Shell Group, DSM, Koninklijke Philips Electronics N.V., and Stork N.V. Uranit is owned equally by Eon Kernkraft GmbH and RWE power AG, which are corporations formed under the laws of the Federal Republic of Germany.

Urenco Investments, Inc. and Urenco Deelnemingen, BV. ("UD") are the only limited partners in LES. UD is also a wholly owned subsidiary of Urenco, Limited.

Respectfully submitted,
