RE: Amendment Request for Consolidated NRC License 34-29200-01MD, Cardinal Health,
Dublin, OH.

Dear Ms. Frazier:

Upon receipt of Amendment 8 for the above referenced license, it was discovered that there was an error in the zip code for the authorized location of use in Condition 10.K. (115 Dingess Street, Barboursville, West Virginia 25705). The correct zip code is 25504. Cardinal Health Nuclear Pharmacy Services requests the address correction be made so that vendors may deliver radioactive material to the correct address.

Please contact me at 614.757.3116 with any questions regarding this request.

Sincerely,

~~Dave Breuning~~
