Dear Mr. Lee:

In the letter dated August 9, 2006, we requested, in part, the amendment of our license to include Kanchan P. Kulkarni, M.D., as an authorized user. Dr. Kulkarni will not be an authorized user effective November 1, 2006; therefore, we respectfully request to withdraw the request to amend the license. The letter dated August 9, 2006 should, however, serve as notification required by 10 CFR 35.14.

The request to remove Drs. Leslie Hughes, Alan I. Rebenstock, and Bruce J. Thaler as authorized users remains unchanged.

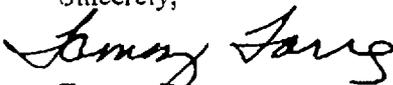

Also, please remove the following authorized users effective November 1, 2006:

Gary Coren	Marc Silver	Martin Friedman	Barry Neil Siskind
Eli Dweck	Michael Brian Kates	Steven Greensweig	

In addition to the above, please add Jerome Jacobstein, M.D., as an authorized user for uses approved by 10 CFR 35.100, 35.200 and 35.300. Dr. Jacobstein was previously an authorized user for these uses at Graduate Hospital (NRC License No. 37-28359-01, Amendment No. 19, dated March 12, 2004).

If you have any questions or if you need any additional information, please feel free to contact me.

Sincerely,

Tammy Torres  
Chief Operating Officer
